2024 LEAGUE RULES- CHATHAM/EHFP/MADISON/SUMMIT GIRLS SOFTBALL FINAL

GENERAL AND PLAYOFF INFORMATION FOR GRADES 56 and GRADES 78

GENERAL: YOUR GOAL IS SIMPLE: EVERYONE HAS FUN! Good sportsmanship is expected from coaches, players, and fans. No coaches on the field when ball is in play. No metal cleats. No jewelry during practice or games (except medical alert tags). Zero tolerance for drugs, alcohol, or cigarettes for players and coaches. Player Eligibility: For Safety reasons, players may only compete in the grade 56 division for 2 seasons regardless of their school grade situation.

TOWN ADMINISTRATOR:

Report scores of home games and manage all rainout reschedules.

FIELD STATUS

- **CHATHAM:** To check on field status, check Chatham Rec Website <http://www.chathamrecreation.org/index.php#> under 'Urgent News Update' prior to leaving for game. Field decisions for weekends should be made by 7 am and by 3PM on weeknights. Chatham coach will reach out to visiting team if cancelled. If you hear nothing, expect to play ball!
- **EH/FP:** Head Coaches are responsible to notify visiting head coaches of a rainout situation during the week no later than 4pm. On weekends, the Division Manager is responsible to confirm rain outs. If there is nothing to report then both teams are expected to play at their set times. The recreation department will send out an email to Scott who will inform all coaches immediately of field closures.
- **MADISON:** Madison Head Coaches are responsible to ALERT visiting head coaches of a rainout situation during the week no later than 4pm. On weekends, the Madison Division Manager is responsible to confirm rain outs at least 75 minutes before ALL games to Madison Coaches. Who are then responsible to ALERT visiting team. If you hear nothing, expect to play ball!
- **SUMMIT:** Head Coaches are responsible to ALERT visiting head coaches of a rainout situation during the week no later than 4pm. On weekends, the Division Manager is responsible to confirm rain outs at least 75 minutes before ALL games to Summit Coaches. Who are then responsible to ALERT visiting team. If you hear nothing, expect to play ball!

THE SCHEDULE

- 56: 18 TEAMS. 12 game schedule. Once vs 12 different teams. 6 home/away.
- 78: 10 TEAMS. 12 game schedule. Once vs ALL; a 2nd game vs in-town/random opponents. 6 home/away.

UMPIRES

The league will do its best to schedule your umps. Home team should always confirm your ump status on game day. If your ump is running late, you should begin on time. Head coaches for each team should call their pitchers balls strikes; visiting coach umps the bases when their team bats. Swap each half inning until ump arrives.

TEAM ROSTERS:

A complete team roster [name, street, city, grade] is due to your town Adm before your 1st game is played; updated with # of games played before playoffs begin.

GAME CANCELLATION - The only way to reschedule a game is if the field is closed. If you cannot field a team, you can call players up. If that doesn't work, you forfeit. The only other forfeits to be included in standings will take place when only 1 team at a field on scheduled time/date can field a team. Everyone gets into the playoffs.

MANAGING Rescheduled Games

Again, the only reason games would not be played at their regularly scheduled time is due to the weather. If your game is rained out, follow these steps to reschedule. Don't Wait, reschedule promptly. Do not wait until the end of the season, you'll never get the games played. If you don't play the game, you won't earn the points.

NOTE: We will try to automatically schedule the makeup game on the first Friday [Chatham] or Sunday [all Summit makeups- Sunday @ noon, all Madison makeups- Sun @ 9:30am] after the rainout, otherwise:

REPORTING/TRACKING GAME RESULTS

Head coaches should report game results [teams and final score] for your home games to your towns Administrator after the game. Game results will determine playoff seedings immediately following the season. If a team has not reported their scores, the standings will not be changed after 11:59pm on the last day of the regular season.

HOW TO USE WEBSITE

Click on the venue tab on the main page to see the Addresses and directions to all the fields.

PLAYOFF PLANS FOR 2024

LAST REGULAR SEASON GAMES WILL BE PLAYED ON Thursday, May 30, 2024. The 1st round of playoffs will be scheduled for Sat June 1: ALL teams must be available to play on that date. All teams will participate in the playoffs. Standings are based on points. Points are earned based on game results. If you don't play a game, you don't get the points. Winner gets 3 points; loser gets 1 point. Ties each team gets 2 points. In case of a forfeit, winner gets 3 points [and 6 runs], team forfeiting gets 0 points [and 0 runs]. In case of ties in the final regular season standings, the 1st tie breaker is head-to-head competition. If that does not resolve, Average Runs Against. **PLAYOFF GAMES WILL BE COMPLETE BY Saturday JUNE 8.**

A Player may only pitch in a playoff game if she has played in at least HALF of her team's regular season games as documented in each team's scorebook. Each head coach must confirm each players eligibility, to their town admin, to pitch in playoffs. Town Adm will update central team rosters posted on website before first playoff game.

A DECISION REGARDING HOW TO SEED THE PLAYOFF BRACKETS WILL BE MADE AND COMMUNICATED OVER THE MEMORIAL DAY WEEKEND. FOR EACH DIVISION, THERE WILL BE

- **TWO BRACKETS DESIGNATED AS A/B; WITH THE # OF TEAMS IN EACH BRACKET BASED ON RESULTS AS OF THAT WEEKEND.**

56 Division. Playoff seeding based on final POINTS earned as of the end of last regular season day above. ALL Players in the championship game will earn a trophy (either 1st or 2nd place. There are no call ups in the playoffs.

78 Division: Playoff seedings based on final POINTS earned as of the end of last regular season day above. ALL Players in the championship game will earn a trophy (either 1st or 2nd place). There are no call ups in the playoffs.

Inclement weather rules for ALL Playoff games including Championship Games.

1. Games are 6 innings, so a minimum of 4 innings is needed to record a complete game. No time limit unless the use of a specific field requires.
2. If weather interrupts the game, proceed as follows. If 1 inning has not been completed, then the game must be re-played completely from the start. If the 2nd inning has started (but game is not complete), then the game picks-up from the exact spot it was suspended. The 2nd inning begins as soon as the final out is made in bottom of the 1st inning.

FOR ALL PLAYOFF GAMES EXCEPT FINAL.

1. If the home team is winning and the top half of the 4th has been completed (and the game is called for weather/darkness), the game is over and complete.
2. If the game gets past the 4th inning (and the game is called for weather/darkness), then the score reverts to the last completed inning. If the score was tied at the end of the last completed inning, then the coaches will note the score, runners on base, and the ball/strike count, and then pick up the game where it was left off at a make-up date. The resumed game will conclude at the next completed inning where the score is no longer tied.
3. If the game is tied at the end of 6 innings, tiebreaker rule goes into effect. The last person scheduled to hit in the tie breaker inning is placed on 2nd base to start the inning, 0 outs. This continues for as many innings as necessary until a winner emerges.

Both coaches and Ump must confirm before the start of each inning (starting with the 4th inning) if that inning will be the FINAL inning of the game. At that time, the 5 run rule is suspended. This decision is irrevocable. Keep an eye on weather and darkness. Player safety is always the priority.

All FINAL Games will be played to 6 full innings; if extra innings are needed, tiebreaker rule in effect. Should darkness or weather suspend the game early, the game picks-up from the exact spot it was suspended the following evening.

**FOLLOW THE
RULES**

2024 GRADE 56 LEAGUE RULES- CHATHAM/EHFP/MADISON/SUMMIT GIRLS SOFTBALL-FINAL

Play by ASA Official Softball Rules with following local rules.

GAME: Games are six innings. Starting time must be confirmed with both coaches and umpire before First Pitch. A new inning begins immediately after the final out of the previous inning. Do not start a new inning after one hour and 45 minutes from the official start time, as stated by the plate umpire. Last inning must be confirmed with both coaches and umpire before first pitch thrown at top of inning. If once the last inning begins, the game can NOT be completed; the final score reverts to the last complete inning. A complete game = 3 full innings or 1 hour and 45 minutes. Mercy rule is 15 runs at the end of 5 full innings (4.5 inning if home team ahead). With bad weather and darkness, always consider the safety of your players FIRST. NOTE: Certain fields may have specific ground rules (play ends at certain time, etc.). It is the responsibility of the HOME TEAM Coach to explain the specific ground rules before each game. Each team will need a minimum of six (6) players to start and finish [unless an injury occurs] a game. If a team cannot field 6 players within 15 minutes after the game start time, then they forfeit the game. A game can still be played by swapping players, but the final score will not be recorded. Pregame warm up infield time should be shared by home/visitor as possible.

PLAYING UP: If a team is having trouble fielding enough girls, the coach is allowed to reach out to the 4th grade coaches and ask if a (or) girl(s) would like to play for their 5/6th grade team. The 4th grade girl(s) are not allowed to pitch, must wear their original uniform, and must bat last in the batting order. Our recommendation is to call up enough girls to field 10.

BATTERS: All players MUST have batting helmets (WITH CAGES) on when at bat, on base, or coaching 1st or 3rd. On deck circles are unique to each field & home team coach to confirm setup before each game. Do not throw bats (a player will receive one warning for throwing a bat and will be called out for the second offense). Batting order includes all players who attend game. If you have less than 7 players in batting order, the 7th position will be an automatic out every time it arrives. Late arriving players should be added to the bottom of the batting order. Original batting order should only be changed if injury or early departure required. With 8 or more players, if you lose a player due to injury or early departure, just SKIP that position in the order with no penalty but let the other coach know that player is now NA. Bunting is allowed and encouraged. A Player May NOT PRESENT A BUNT and THEN SWING AWAY- Penalty: BATTER OUT, Ball dead. All runners return to their original base. A batter hit by a pitched ball, even if the ball hits the ground, takes first base. A batter walked may not advance past 1st base; there is NO continuation play.

DROPPED THIRD - Dropped third strike rule is in effect per ASA rules [runner may attempt to advance when 1st base is open and less than 2 outs] with the following modifications: Batter/Runner may only go to first. Runner on third cannot score. Two outs, dropped third strike, ball is dead, batter is out.

FIELDING: All Players should be taught to make eye contact before throwing ball to partner. NO Infield fly rule. Ten (10) players on defense. The 10th player (short fielder) must be 10' behind the basepath on the pitch. No player can sit 2 innings [unless injured] until everyone has sat once.

RUNNING: Runners en route to first base must run either on the foul line or in foul territory. Runners should slide to avoid contact at 2nd, 3rd, and home. Runner may take a lead or steal 3rd base on the pitcher's release. There is NO stealing of 2nd base or home plate for any reason i.e.: even if the catchers attempt to pick the runner off at 1st or 3rd gets past the fielder. Runners may advance 1 base on an overthrow that goes out of play from a batted ball. If the Catcher/or Pitcher [in next inning] gets on base during her at bat and there are 1 or 2 outs, the coach will be allowed to substitute in a courtesy runner. The purpose of the courtesy runner is to allow the catcher to get back into the catcher's gear, thus allowing the game to keep moving when the inning ends or to give a pitcher some rest. The courtesy runner will be the girl who made the last batted out.

2024 GRADE 56 LEAGUE RULES- CHATHAM/EHFP/MADISON/SUMMIT GIRLS SOFTBALL-FINAL

PITCHING: Pitching distance is 40 feet from back of plate to front of mound. Pitchers may not exceed 4 innings per game regardless of total innings played. Pitchers may leave the mound and return later in the game as long as their total pitching is less than four innings. One Pitch = One Inning. **No Intentional walks.** Game ball is yellow 12". **Under no circumstances should a coach embarrass a player on the field.**

Hit By Pitch - "2&4" rule. If a pitcher hits 2 batters in an inning she must come out of the pitching position for that inning, can stay in the field and is allowed to pitch subsequent innings, provided she has not exceeded her inning count. If she comes back and hits a total of 4 batters in a game, she cannot pitch in that game anymore. This comes with the understanding that the umpire knows that a batter must make an attempt to get out of the way of the ball, especially a ball that is rolling or bouncing towards them.

SCORING: **The five-run rule will be in effect except for the last inning.** The five-run rule is as follows: the inning will end upon the offensive team making three outs, or after a play in which the offensive team has scored the fifth run of that inning. If the final play results in the fourth, fifth and sixth runs of the inning being scored, only 5 runs would count, and the offensive team would then take the field. **There is no limit on runs in the last inning. Both coaches and Ump must confirm before the start of each inning (starting with the 4th inning) if that inning will be the FINAL inning of the game. At that time, the 5 run rule is suspended. This decision is irrevocable.** Keep an eye on the weather and darkness. Player safety is always the priority.

GRADE 78 DIVISION SPECIFICS

RULES

COACHES

SCHEDULE [BY DATE- BY TEAM]

2024 LOCAL LEAGUE RULES- CHATHAM/EHFP/MADISON/SUMMIT GIRLS SOFTBALL, Grade 78 FINAL

Play by ASA Official Softball Rules with following local rules.

GAME: Games are six innings. Starting time must be confirmed with both coaches and umpire before First Pitch. *A new inning begins immediately after the final out of the previous inning.* Do not start a new inning after one hour and 45 minutes from the official start time, as stated by the plate umpire. Last inning must be confirmed with both coaches and umpire before first pitch thrown at top of inning. Mercy rule is 15 runs at the end of 5 full innings (4.5 inning if home team ahead). A complete game = 3 full innings or 1 hour and 45 minutes. With bad weather and darkness, always consider the safety of your players FIRST. NOTE: Certain fields may have specific ground rules (play ends at certain time, etc.). It is the responsibility of the HOME TEAM Coach to explain the specific ground rules before each game. Pregame warm up infield time should be shared by home/visitor as possible.

Each team will need a minimum of six (6) players to start and finish [unless an injury occurs] a game. If a team cannot field 6 players within 15 minutes after the game start time, then they forfeit the game. A game can still be played by swapping players, but the final score will not be recorded.

PLAYING UP: If a team is having trouble fielding enough girls, the coach is allowed to reach out to the 6th grade coaches and ask if a (or) girl(s) would like to play for their 7/8 grade team. The 6th grade girl(s) are not allowed to pitch, must wear their original uniform, and must bat last in the batting order. Our recommendation is to call up enough girls to field 10.

BATTERS: All players MUST have batting helmets (WITH CAGES) on when at bat, on base, or coaching 1st or 3rd. The On Deck circles are unique to each field & home team coach to confirm setup before each game. Do not throw bats (a player will receive one warning for throwing a bat and will be called out for the second offense). Batting order includes all players who attend game. If you have less than 7 players in batting order, the 7th position will be an automatic out every time it arrives. Late arriving players should be added to the bottom of the batting order. Original batting order should only be changed if injury or early departure required. With 8 or more players, if you lose a player due to injury or early departure, just SKIP that position in the order with no penalty but let the other coach know that player is now NA. Bunting is allowed and encouraged. A batter hit by a pitched ball takes first base.

DROPPED THIRD - Dropped third strike rule is in effect per ASA rules [runner may attempt to advance when 1st base is open and less than 2 outs] with the following modification: Two outs, dropped third strike, ball is dead, batter is out.

FIELDING: All Players should be taught to make eye contact before throwing ball to partner. Infield Fly in effect. Ten (10) players on defense. The 10th player (short fielder) must be 10' behind the basepath on the pitch. No player can sit 2 innings [unless injured] until everyone has sat once.

RUNNING: Runners en route to first base must run either on the foul line or in foul territory. Runner may take a lead or steal a base when the pitch leaves the pitchers hand. Runners who leave early are out. If the catcher/or Pitcher [in next inning] gets on base during her at bat and there are 1 or 2 outs, the coach will be allowed to substitute in a courtesy runner. The purpose of the courtesy runner is to allow the catcher to get back into the catcher's gear, thus allowing the game to keep moving when the inning ends or to give a pitcher some rest. The courtesy runner will be the girl who made the last batted out.

PITCHING: Pitching distance is 43 feet from back of plate. Pitchers may not exceed four innings per game regardless of total innings played. Pitchers may leave the mound and return later in the game as long as their total pitching is less than four innings. One Pitch = One Inning. No intentional walks. At the start of each game, coaches and umpires should meet and discuss the capabilities of the 2nd pitcher. Under no circumstances should a coach embarrass a player on the field.

SCORING: The five-run rule will be in effect except for the last inning. The five-run rule is as follows: the inning will end upon the offensive team making three outs, or after a play in which the offensive team has scored the fifth run of that inning. If the final play results in the fourth, fifth and sixth runs of the inning being scored, only 5 runs would count, and the offensive team would then take the field. There is no limit on runs in the last inning. Both coaches and Ump must confirm before the start of each inning (starting with the 4th inning) if that inning will be the FINAL inning of the game. At that time, the 5 run rule is suspended. This decision is irrevocable. Keep an eye on weather and darkness. Player safety is always the priority.
